Why Dental Associates Discount Plans?

Dental Associates Discount Plans were created by a small group of dental providers in Illinois as a vehicle to make dental care more affordable for Chicagoland residents.

Our focus is on preventive services, biannual exams, X-rays, and cleanings to keep teeth healthier longer. This is not insurance; it is a savings plan for patients of all ages without dental insurance coverage.

Whether you are looking for a dental discount plan for just yourself or for your entire family, we have a plan to fit your needs. For an annual fee, you will get access to discounts at our state-of-the-art clinics. Our caring dental providers help to deliver the oral health care you need to stay smiling!

We are filed with the state of Illinois' Department of Insurance. Our dentists must meet plan standards to participate. This contributes to you receiving high-quality dental care at an affordable price.
